TOMEEKA L. SIBLEY

Director of AI Governance | Executive Cyber Risk Leader | National Security Executive

Greater Atlanta, Georgia • tomeeka.l.sibley@icloud.com • linkedin.com/in/tlsibley

EXECUTIVE SUMMARY

Strategic cybersecurity and national security executive with 25+ years of progressive leadership guiding organizations through cyber risk, enterprise governance, digital transformation and multinational security operations. Advised senior military leaders, government executives and international partners on cybersecurity strategy, enterprise risk management and organizational resilience across $900M+ in combined security-assistance and defense-sales portfolios. Now applying that executive depth to enterprise AI governance through MIT Professional Education training, hands-on secure AI lab work and governance frameworks (NIST AI RMF, NIST CSF 2.0, ISO/IEC 42001, EU AI Act). Targeting Director, Senior Director and Vice President roles in enterprise AI Governance and Cyber Risk.

CORE COMPETENCIES

EXECUTIVE LEADERSHIP	AI GOVERNANCE	ENTERPRISE CYBER RISK	NATIONAL SECURITY
Enterprise Governance	Responsible AI	Cybersecurity Strategy	Defense Intelligence
Board-Level Communications	AI Risk Management	GRC / Enterprise Risk	International Security Coop.
Strategic Planning	NIST AI RMF	Zero Trust Architecture	Executive Diplomacy
Change Leadership	AI Lifecycle Governance	Incident Response	Strategic Risk Analysis

AI GOVERNANCE & CYBERSECURITY EXPERIENCE

AI Governance & Cyber Risk Strategy Intern — 2026 – Present

Vanguard Rising (Waite SLTS USA) — Enterprise GRC Engagement

- Developing enterprise GRC assessment methodologies aligned with NIST SP 800-53, NIST SP 800-171 and CMMC for national deployment across K–12 institutions.
- Designing repeatable governance frameworks, cybersecurity maturity assessments and executive-ready implementation playbooks.

Cybersecurity Analyst Intern — 2024

RapidAscent — Security Operations (800-hour apprenticeship)

- Completed immersive training across GRC, network security, threat hunting, threat intelligence, SIEM detection (Splunk) and systems security.
- Conducted vulnerability assessments, threat hunting and incident investigations with forensic analysis; automated security tasks with Python using NIST-aligned controls.

NATIONAL SECURITY & MILITARY LEADERSHIP — U.S. ARMY / DIA (2003 – 2022)

Regional Cyber Branch Chief — 2017 – 2022

Defense Intelligence Agency — Pan-American Cyber/C4I and Southern Cone Branches

- First military officer selected to lead the Pan-American Regional Cyber/C4I Branch; directed a 40-person multinational cyber branch and coalition cyber operations across 5 countries.
- Led cyber intelligence analysis that informed national cybersecurity policy, briefing the President, Secretary of Defense, Joint Chiefs of Staff and the Intelligence Community.

Foreign Military Sales (FMS) Case Manager — 2015 – 2016

Office of Security Cooperation-Iraq (OSC-I) — Baghdad, Iraq

- Founded a new FMS case-manager position and built a 13-case, $382M portfolio supporting the Iraq Counter Terrorism Service and Operation INHERENT RESOLVE.
- Synchronized procurement across the Department of State, Government of Iraq, USCENTCOM and CJTF-OIR; drove acquisition of 4 battalion equipment sets pivotal to defeating Da'esh in Fallujah.

Political-Military Advisor — 2014 – 2017

U.S. Army South (ARSOUTH) / SOUTHCOM — Central America & Caribbean

- Developed regional security cooperation strategy and led multinational capability assessments as primary ARSOUTH Action Officer for the region.
- Planned executive engagements, including the Central America Regional Leaders Conference with 7 partner nations; recognized for the most comprehensive products in the Directorate.

Senior Security Assistance Advisor **2012 – 2013**

U.S. Embassy Iraq — Baghdad, Iraq

- Managed a $520M security-assistance portfolio and advised embassy and military leadership on U.S.-Iraq defense strategy after the drawdown.

Foreign Area Officer — Assistant Army Section Chief **2011 – 2014**

Office of Defense Cooperation, U.S. Embassy Uruguay

- Advised the Senior Defense Official/Defense Attaché; earned special recognition in SOUTHCOM's Inspector General inspection for compliance.
- Contributed to the State Department's decision to grant Uruguay $3.105M in FY14 Global Peace Operations Initiative funding.

Personnel & Operations Leadership **2003 – 2011**

U.S. Army — Germany, Afghanistan and the Continental United States

- Brigade/Battalion S-1 across five commands of up to 1,700+ Soldiers and civilians; led Personnel Services Delivery Redesign in two organizations, raising evaluation timeliness from 65% to 95% and ranking #1–#2 of nine brigades.
- Led postal operations in Mannheim, Germany and at Kandahar Airfield, Afghanistan: up to 49 personnel serving 7,500+ Soldiers and civilians across 122 units and 13 FOBs, with $1.4M+ in equipment accountability.

EXECUTIVE PROJECTS

Enterprise AI Governance & Cybersecurity Laboratory — Founder **2024 – Present**

- Designed a segmented Proxmox lab to prove AI controls with evidence; first validation run (Nov 2026) passed human approval of a sensitive AI action and blocking, containment and recovery of an unapproved data transfer.

National AI Governance Assessment Framework — Developer **2024 – Present**

- Developing a methodology to assess AI governance maturity, AI operational risk, responsible AI, regulatory compliance and executive oversight, using NIST AI RMF, NIST CSF 2.0, NIST SP 800-53/171, CMMC and Zero Trust.

AI Strategy Brief — MIT Capstone **2026**

- Executive AI strategy brief assessing organizational readiness, prioritizing use cases and defining governance controls for responsible deployment.

BOARD & COMMUNITY LEADERSHIP

Parent Representative, ECS Parent Advisory Council **Current**

Fayette County Public Schools (GA) — Exceptional Children's Services

- Represent families of two high schools and one middle school on the council that advises the district on services for students with exceptional needs.
- Facilitate collaboration among families, teachers and ECS staff; share information and resources and help families advocate effectively for children with disabilities.

Executive Board Secretary **2024 – 2026**

Women in CyberSecurity (WiCyS) — Georgia Affiliate

- Directed board governance administration, records and executive communications; supported statewide cyber workforce initiatives and partnerships with universities, government and industry.

EDUCATION

- **M.S., Cybersecurity Strategy & Information Management** — The George Washington University
- **M.S., International Relations & National Security Studies** — Naval Postgraduate School
- **M.S., Human Resource Management** — University of Oklahoma

CERTIFICATIONS & PROFESSIONAL TRAINING

- CompTIA Security+ ce (SY0-701)
- ISC2 Certified in Cybersecurity (CC)
- ISACA Artificial Intelligence Fundamentals
- Qualys VMDR
- FIU Digital Forensics Fundamental Skills
- MIT — Applied AI for Digital Transformation (2026)
- UWF NCAE-C — AI & ML for Cybersecurity
- UWF NCAE-C — EC-Council Gen AI for Cybersecurity

In progress: CISSP • CRISC • CompTIA AI Essentials • ISC2 AI Security • MIT Applied Agentic AI for Organizational Transformation • Columbia University AI Cybersecurity & Governance
